This liturgy is being hosted and led by staff and parishioners, from the parishes of Culmore and Steelstown, responding to a need we have recognised in our own communities, but all are welcome to join us – wherever you might be from. The sessions will be aimed at those who are in our primary schools with a special focus on our children preparing for their first holy communion; however, this doesn't mean the whole family can't get involved, and we'd love to see you all there together. It is important to note that you are responsible for your child throughout the conference call.
